

PROJECT EV

Branding

CUSTOMIZE YOUR EV CHARGE POINT

The Project EV Personalised Badges

NEW bespoke branding options available from Project EV.

Project EV are proud to offer **premium quality** branding that can accompany your EV charge points. Allowing our customers to be able to **represent** their own business logo or show their support for their favourite sports teams.

We have three types of branding you can choose from, these are: 1. **Personalisation Badges**, 2. **Logo Covering Badges**, or 3. **Sticker Decal Transfers**.

1 Personalisation Badges

2 Logo Covering Badges

3 Sticker Decal Transfers

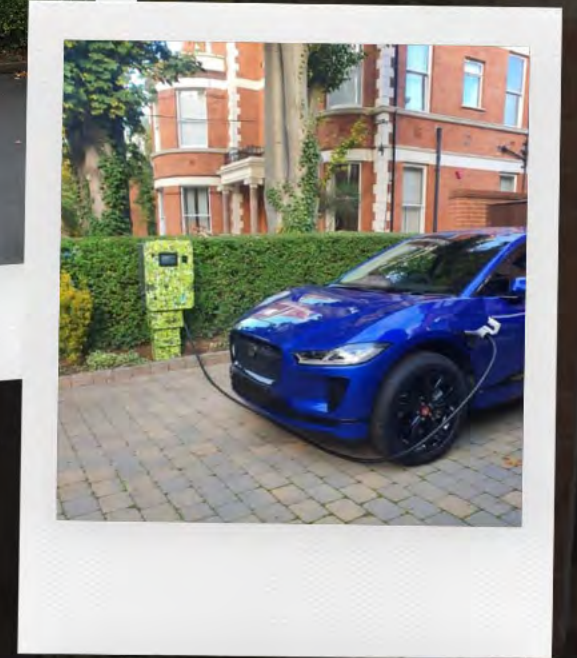

HOW TO ORDER YOUR **BRANDING**

The Quick & Easy Steps

To order your customised branding, simply send us a **high-resolution** copy of the logo/image you wish to have featured on the EV Charging unit.

Choose the branding type you would like, and we can turn your mock-up design, into reality.

All of our branding options have a **7 Day Lead-Time** as a minimum. This lead time may vary and increase dependant on the quantity of units ordered.

7 DAY LEAD-TIME

WE WILL GO ABOVE AND BEYOND

If you wish to brand your EV charging point even further, we have the solution for you.

With our internal marketing department, we can help design artwork wraps for your specifications and requirements.

Thank You!
